## Painting Daisy the Cow

Kiama Council acknowledges the historical and iconic heritage of Daisy the Cow and its strong links with the main street of Kiama and in particular the Old Fire Station Community Arts Centre.

Daisy is recognised as a focus of tourist interest and landmark for the central township of Kiama and as such holds a place of pride and citizen concern for her preservation and appropriate use.

As part of that process all future painting of Daisy the Cow will be approved through a booking form to be completed by the artist or group wishing to paint Daisy.

Booking Forms will be assessed by Kiama Council's, Director of Community Services Executive Assistant and Community and Cultural Development Officer.

To book to paint Daisy the Decorated Dairy Cow please complete the Booking Form
