

Positions of Director of Environmental Services and Director of Community Services

Kiama Municipal Council is a progressive, medium sized Local Government area on the south coast of NSW located 120 kms from Sydney and 35 kms from Wollongong. The municipality has a population of approximately 20,000.

Following the retirements of two of Council's Directors, vacancies now exist for the position of Director of Environmental Services and Director of Community Services.

Director of Environmental Services (Ref. S40.007.104)

- Key Responsibilities
- Building and Development
 - Strategic Land Use Planning
 - Compliance and Sustainability

Director of Community Services (Ref. S40.007.329)

- Key Responsibilities
- Community Health and Wellbeing
 - Aged and Disability Services
 - Library and Youth Services
 - Blue Haven Aged Care Facility

Both positions will be engaged on a 5 year fixed-term performance based contract. An information pack including the selection criteria and the application form can be obtained from Council's HR Section by phoning 4232 0414.

Further information about either position can be obtained from Council's Manager Human Resources and Commercial Services, Russell Park on 4232 0459.

Detailed applications addressing the selection criteria will be received until 4.00pm on Friday 17 February 2012.

Council encourages applications from people of an ATSI background.

Michael Forsyth
General Manager
