Our Age Disability Worker (ADW)

works with Home and Community Care (HACC) service providers in Kiama LGA to:

- help build the capacity of the sector to meet the needs of clients
- incorporate the outcomes of evaluations
- develop best practice
- be available for any resident who would like to raise any issue related to service delivery for older residents, people with disability, and/or their carers.

If you have an issue you would like to raise, please contact our ADW on (02) 4232 0444 or.
