Sorry Day

[Home](#) > [Your Community](#) > [Arts & Culture](#) > [Sorry Day](#)

We commemorate Sorry Day each year on the

recognised day of 26 May.

Our [event calendar](#) will show details closer to the date.

National Sorry Day is an annual event that takes place to commemorate the Stolen Generation of Aboriginal peoples in Australia.

The day is an important one in remembering our shared history and in moving towards respect, recognition and increased awareness of Aboriginal culture and community.

Our Sorry Day event includes a formal flag raising ceremony and a community event.

All members of our community are welcome to attend and a formal invitation is extended to our Aboriginal community members to be our respected and honoured guests.

If you are a member of our Aboriginal community and have not previously attended our Sorry Day event please contact our Community and Cultural Development Officer to have your contact details added to our invitation mailing list:
