What our rangers handle

- animal control
- daily operation and maintenance of the pound
- regulation of companion animals and off-leash areas
- busking regulation
- inspection of overgrown land and arranging clearing
- abandoned vehicles and other items
- regular parking patrols
- issuing infringement notices
- general reporting of environmental health issues eg air, water and minor noise pollution
- regular patrols of parks, reserves and beaches in relation to illegal camping and compliance with Council policy and relevant laws
- alcohol-free zones and alcohol prohibited areas
- illegal dumping incidents
- building site breaches eg sediment control, out of hours operation, etc
- illegal signage
- investigating other incidents as required
