enhance the community's environment and health.

We assist in the local co-ordination of the National Clean Up Australia Day Campaign.

This national enterprise encourages people to participate in cleaning up and removing rubbish and litter from our beaches, waterways, bushlands and other areas located throughout the Municipality. We seek the co-operation and participation of citizens, community groups, schools, businesses and government authorities in the Municipality to ensure the annual National Clean Up Australia Day Campaign is an outstanding success.

To register a site, log onto the [Clean Up Australia](#) website or if you do not have access, please contact Council on [\(02\) 4232 0444](tel:0242320444).

Kiama Council also participates in the business clean-up day, with indoor staff taking to the streets and collecting litter.

One of Council's roles is to protect and
