Our giant car boot sale

Second Hand Saturday is a giant community garage sale and Council organises two events every year.

Kiama Council's next Second Hand Saturday event is on **28 September 2019**.

Registrations will open in August.

All residents of the Kiama Municipality are eligible to book a free space at the event.

Everyone is welcome to come and pick up a second-hand bargain on the day.

The event is good for community spirit and the environment. It helps to reduce the amount of cleanup material that is sent to landfill by promoting the reuse of items.

If you are a Kiama Council ratepayer, you can pick up two free plants on the day as well. Just bring along a rates notice.

For more information on Second Hand Saturday contact Council on (02) 4232 0444.
