How we procure

goods and services

Our [Procurement Policy](#) and [Supply Contract Conditions](#) explain Council's approach to purchasing.

We have a [Local Preference Purchasing Policy](#) that aims to support local suppliers and encourage economic activity in the municipality.

Our aim is to use local suppliers where it is efficient to do so and achieves the best benefit to our community.

Suppliers

Have your details with us changed? Complete and return our [Supplier Update Details form](#) to .
