COMMUNITY DIRECTORY

2009

Preface

This Community Directory has been prepared as part of Council's Community Services Policy to provide information to residents on community services and resources including information for senior residents and people with a disability.

Every effort has been made to provide accurate and current information, but because the changing nature of community groups, personnel etc and the reliance upon groups informing Council of changes in their organisation, this cannot be guaranteed. The exclusion of any group or out of date information is regretted. A form is in the back of this directory for any additions or updates to listings.

Council's Community Services Department maintain and regularly update a computerised data base system for this Directory and further information can be obtained from the Director of Community Services Executive Assistant, Anne Phillips at the Old Council Chambers, 11 Manning Street, Kiama. Telephone: (02) 42320 448 or by E-mail - annep@kiama.nsw.gov.au

This directory is also available on the Internet. The URL is: <http://www.kiama.nsw.gov.au/>

I commend this Directory to existing and new residents and welcome any suggestions about its format as well as its information.

Mario M Vallejos
Director of Community Services
