## Using your urban service

Your service includes three bins:

- red lid bin for landfill waste collected **every fortnight**
- yellow lid bin for recycling collected **every week**
- green lid bin for food and garden organics collected **every week**

[Go to our Waste Service FAQs](#)

## Do the right thing with your bin

Please:

- keep your bins at least 30cm apart and free from obstacles such as cars, trees and power poles
- place your bin out for collection the night before the scheduled service day with the wheels facing away from the kerb
- return your bin to your property (or enclosure) the same day of the scheduled service.

Take a look at your [waste calendar booklet](#) for information or visit our [A-Z of Waste & Recycling](#).

If your bin is stolen or lost, contact Council's [Minnamurra Waste & Recycling Facility](#) on (02)
