RECOMMENDED

That Council formally acknowledge Holly Wishart and also acknowledge and support all young people in our community.

REPORT

Earlier this month Warri Beach surfer Holly Wishart managed a podium finish at the Under-16 NSW Junior State Titles at Coffs Harbour.

Finishing runner up, Holly came within a whisker of upstaging winner Rose Smart.

Holly has been in strong form in 2019 and 2020, and is well on her way to emulating the feats of fellow local surfers such as Sally Fitzgibbons as well as Owen, Mikey and Tyler Wright.

We should always be proud of the achievements of young members of our community, whether as athletes, academics or artists.

But given the way COVID-19 is challenging our young people here, around Australia and the world, Holly's achievement is even more important.

We should all take heart from her efforts, and the simple message to our youngsters is: you are doing great things, we are very proud of all of you, and we are behind you every step of the way.

I encourage our community to make a special effort to share stories such as this one about Holly. Every one of our young people are special and deserve all our love and support.
