

## Fact Sheet: Tree Management Review

**NOTE:** THIS INFORMATION ONLY RELATES TO THE REVIEW OF TREE MANAGEMENT APPLICATIONS

### Current review process

In order for Council to assess an 'Application for Review,' the following applies:

1. Applications for review must be lodged within three (3) months from the original date of the -
  - (a) refusal letter being issued
  - (b) consent being granted subject to conditions.
  
2. Additional information such as –
  - (a) an arborist report prepared in accordance with Chapter 2 of Kiama DCP 2020.
  - (b) geotechnical or structural engineers report where the tree root system is alleged to affect a building and other infrastructure.

There is a fee payable for any review. A review will be assessed by another qualified Council officer or independent arborist.
