## **6 GENERAL BUSINESS**

### **6.1 Update on flooded and flood damaged roads**

SL requested an update on the Swamp Road closure, and the status of the road works on Jamberoo Mountain Road, Wallaby Hill Road, and Foxground Road.

MD advised that Swamp Road was re-opened last week.

On Jamberoo Mountain Road, MD advised that Council will very shortly go to tender for a contractor to complete the works. The completion date will depend on the contractors' availability to commence and finish the work.

MD went on to state that Wallaby Hill Road has been load limited until the works are done. It is quite complex and works will continue into the new year.

MD advised Foxground Road has also been load limited and is out on the market for a contractor at the moment. MD is hoping to get tenders back in the next week, and for the works to be completed by Christmas.

## **6.2 Paid Parking**

SL asked about the plan for paid parking, that was resolved at the June and October 2022 Council meeting. MD advised that a Report for Information will be submitted to the November Council meeting, in response to the Question for Future Meeting that was put forth. MD added that we do not have a budget for the investigation of paid parking at present. The report will outline the current status and procedure for these investigations, once Council has a budget for this project.

## **6.3 Crooked Rivery Winery Festival**

AG asked about the safety measures for the bump out at the Crooked River Winery Festival. He has been advised that it can be quite chaotic. There doesn't seem to be any control with vehicles and pedestrians leaving the event, and it is a safety issue. JB advised that this issue also comes up regularly at the Kiama Liquor Accord meetings. MD noted that we need to add increased traffic and pedestrian management for the next event.

## **6.4 Wombat Crossings**

AG asked JB about wombat crossings on Collins Street and Bong Bong Street. JB advised that our Civil Engineer Nathan will discuss this with AG after the meeting. AG added that Council's are forgetting to provide lighting above wombat crossings, which is dangerous.

## **6.5 School zone projects**

SL asked if he could have the timeline of the works for Minnamurra Public School. JB advised that she has been in contact with the school principal, and the works are likely to be undertaken in the Christmas holidays, whilst the school is closed.

## 7 CLOSURE

There being no further business the meeting closed at 9.39am

These Minutes were confirmed at the Ordinary Meeting of Council held on 6  
December 2022
