## See results

When you finish, you will be linked to a summary of the results for your area.

We're asking local residents to tell us about:

*Living on the South Coast*

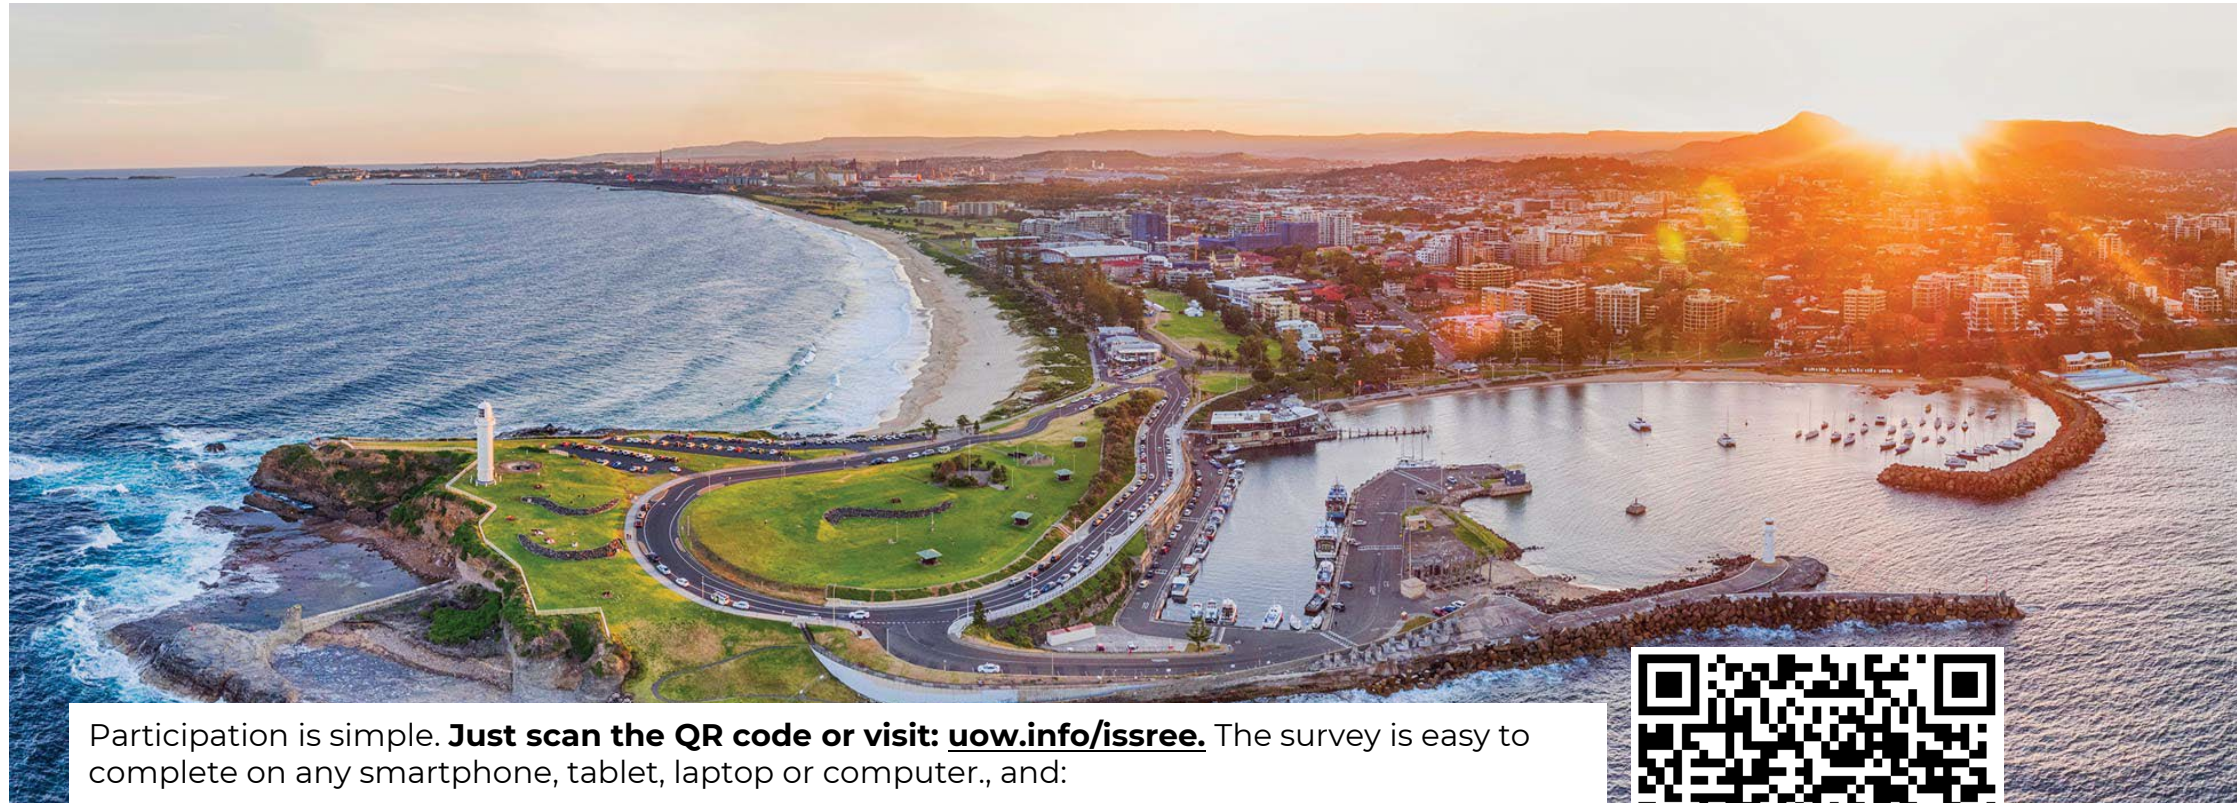

# Can you help?

*Community***MATTERS** is a survey initiative of the University of Wollongong's Illawarra and Shoalhaven Social Research and Education Enterprise (ISSREE). The research focuses on the perceptions and experiences of people who live in the Illawarra and Shoalhaven region. It is our goal to help local, state and federal government better plan for the needs of our community.

**Anyone can participate in this survey**, so long as they are over the age of 18. Ideally, this person is an adult living in your house and whose birthday is next in the calendar.

This study is being led by ISSREE (issree-team@uow.edu.au) and has been approved by the UOW Social Sciences HREC (2022/140).

Participation is simple. **Just scan the QR code or visit: [uow.info/issree](https://uow.info/issree).** The survey is easy to complete on any smartphone, tablet, laptop or computer., and:

- You can choose to remain anonymous.
- All of your responses will be treated as confidential.
- We will not contact you without your permission.
- The risks to you are low, but if something upsets you we will recommend several support services.
