

Accessibility in the Kiama Local Government Area

Your guide to accessibility in your community

Your council, your community

How to use this guide

We made this guide to help you work out places in the Kiama Local Government Area that are **accessible**.

When something is accessible, it means you can enter a place or building. Or, you can use a service or get information.

We have worked out how accessible places are and put them in different groups.

These groups are:

- easy – accessible

- medium – you might need help from someone else

- hard – you will need help from someone else

- not accessible.

You might find some places easier or harder to get to than what this guide says. Not all places will be fully accessible. This guide will help you decide if a place is accessible to you.

Text that is [blue and underlined](#) is linked to more information.

Disclaimer

The term 'Accessible' is used to indicate accessible features of the Kiama Local Government Area (LGA). It is not intended to describe the facilities and features as fully compliant with the requirements of the Disability (Access to Premises) Standard 2010, the Building Code of Australia and/or related Access and Mobility Australian Standards. The information provided in this document is to help you assess your own capacity to access or use the various features.

Kiamia Local Government Area

Wheelchairs for the beach

- There are 2 places where you can get a wheelchair to use on the beach in Kiama. There is:
 - 1 wheelchair at Seven Mile Beach Holiday Park
 - 1 wheelchair at Surf Beach Life Saving Club.
- If you need a wheelchair to get onto Seven Mile Beach, you can ask staff at the holiday park office.
- If you need a wheelchair to get onto Surf Beach, you can ask:
 - a lifesaver
 - someone at the kiosk.

Defibrillators

A defibrillator is a machine that helps people who are having problems with their heart.

It uses electricity to:

- fix a person's heartbeat if it is too slow or too fast
- start a person's heart again if it has stopped.

On the right is a list of places where you can find a defibrillator if you need one.

Lions Cottage is on Shoalhaven Street in Kiama. It is managed by the Lions Clubs of Kiama, Gerringong and Minnamurra.

You can find out more by emailing hello@lionscottage.com.au

A ramp from the car park to the cottage

Bedroom

There is a grab-rail:

- next to the toilet
- behind the toilet

The shower has a grab-rail

There are lots of other accommodation providers in Kiama that have accessible options.

You can contact the Kiama Visitor Information Centre for more information – **1300 654 262**.

Cemeteries

We have put together some information about cemeteries in the Kiama area. This includes photos and information about their accessibility.

Bombo Cemetery

[You can get a map of the Bombo Cemetery here.](#)

There is no accessible parking

The road is also used as a path

Some of the road and all of the path to the accessible toilet has a gravel surface

There is a grab-rail:

- next to toilet
- behind toilet

There is a button under the sink that you have to push to use the water

Jamberoo Cemetery

There is no parking at Jamberoo cemetery

The accessible path doesn't go all the way around the cemetery

This is a photo of Jamberoo Cemetery from the sky

Gerringong Cemetery

[You can get a map of Gerringong Cemetery here.](#)

There is 1 accessible car parking space

There are some accessible paths outside the cemetery

Inside the cemetery it is steep and there is no accessible path

There is an accessible path to the flagpole

Paths where you can cycle

Kiama

About this section

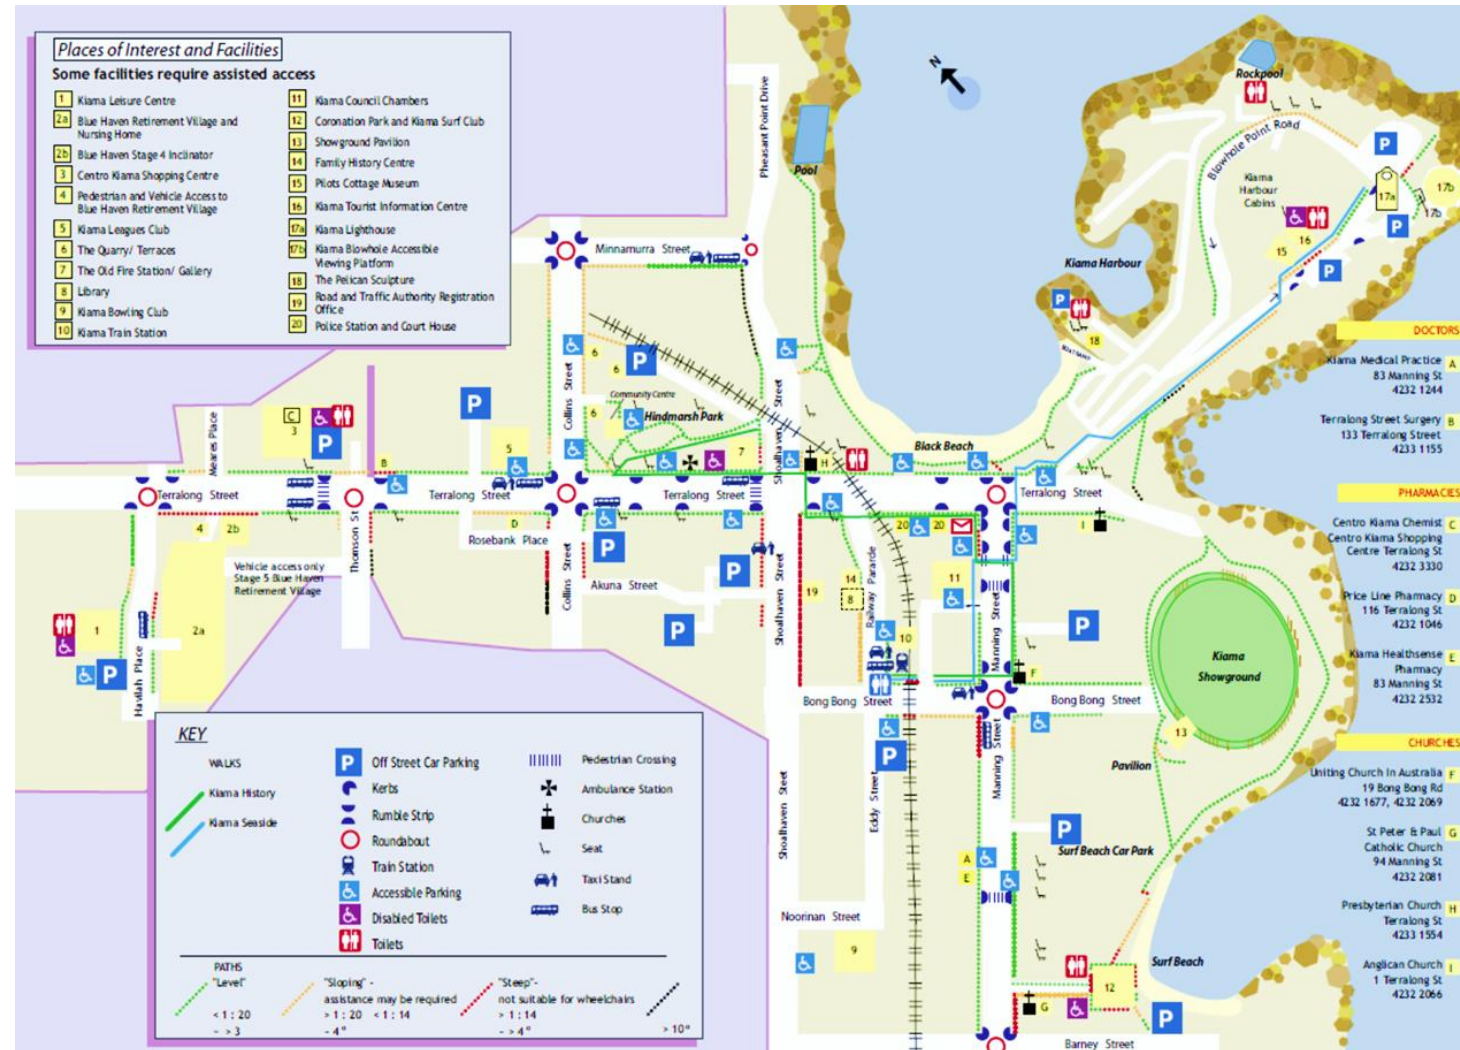

We have put together some information about accessibility in Kiama.

This includes photos and information about:

- accessible parking
- adult change tables
- transport
- general services, like shopping centres
- banks
- medical services, like chemists
- sport and recreation places, like the Kiama Leisure Centre
- pubs and clubs
- public toilets
- popular places to visit in Kiama, like the Kiama Blowhole.

Blowhole Point

Adult change table

There is an adult change table at Kiama Boat Ramp with an electric hoist.

You need a **MLAK Key** to get in.

A MLAK key lets people with disability get into places, like accessible toilets that might be locked.

You can get a MLAK Key from the:

- [Kiama Council Administration Centre](#)
- [Kiama Visitor Information Centre](#).

Kiama Train Station

[Find out about accessible toilets at the station here.](#)

[Get a map of Kiama Train Station here.](#)

The Kiama Train Station has:

- accessible car parking
- a lift
- direct support at any time of the day or night
- an accessible toilet
- a boarding ramp
- a **hearing loop system** – a special way to communicate to people who wear hearing aids
- stairs with handrails
- **colour-contrasted tactile indicators.**

Colour-contrasted tactile indicators are important for people with low vision to help them get around.

They make the path look different through:

- colours
- bumps on the path.
